We, the Assessors of the Town of Wayland do hereby solemnly swear that the above is a full and true Table of Aggregates, and that the foregoing List is a full and true List of the names of all persons known to us, who are liable to taxation in the Town of Wayland during the present year, and that the Real and Personal Estate contained in said List, and assessed upon each individual in said List, is a full and accurate assessment upon all the property of each individual, liable to taxation, at its full and fair cash value, according to our best knowledge and belief. In our opinion the causes of the reduction in the aggregate personal property in this Town since May 1st 1891, are - viz: the failure of the Sole Manufacturing firm of Potter, White & Bailey which reduced the stock and machinery to the amount of nearly fifty thousand dollars. 2d. by the distribution to persons not residents of the town, of an estate which had previously been taxed in Wayland. 3d. to the decrease in business caused by the aforesaid failure.

Richard Lombard
Assessors

Subscribed and sworn to, before me,

Hodijah B. Bowman JUSTICE OF THE PEACE.

Figures in the Table of Aggregates should agree with those returned to the Tax Commissioner.
